▼ EMBEDDED PRODUCTS ▼

Rugged industrial computers, rackmount, small embedded computer systems and custom designed systems and displays. *

Solutions for Embedded Computing: PC104 and Small Form Factor Single Board Computers and a full selection of I/O Modules.

Technology for wireless, switching, ATCA, µTCA, Advanced MC, cPCI, VMEbus and Open VPX.

Standard Platform Systems, Cases, Subsystems, Sub Racks, and Front Panels., for cPCI, VME, ATCA and uTCA.

The leading supplier of ATCA & uTCA. Infrastructure provides complete solution: MCH, Power Module, I/O, and Carriers. *

▼ POWER PRODUCTS ▼

Power Innovations provides quality power products and solutions that filter and supply perfect power. Provides intelligent battery backup.

We Proudly Represent
The Following Manufacturers

Go To www.emasales.com for more information

▼ DRAM & FLASH TECHNOLOGIES ▼

Netlist Inc. provides Embedded Memory Modules for solutions based on DSP, µC, RISC, DRAM, SRAM and Flash including Compact Flash.

TCS (formerly Trident) Solid state disk drives (SSD's) for ruggedized high-reliability systems. Customized microelectronic semi-conductor packaging. *

▼ DISPLAY PRODUCTS ▼

AKG offers products in LCD touch, SAW, 5-Wire, Infrared & Resistive. Panels include dustproof, open frame and sizes to 42 inch. *

The only non-captive LCD design company in the world. Innovative screens are low power and sunlight readable. Screen sizes 7" & 10.1".

▼ PRINTED CIRCUIT BOARDS ▼

Flex and rigid-flex printed circuit board design including: Single Sided flex, Multi-layer Rigid Flex, Staggered Layer & Dual Layer Flex. *

Complex multi-layer printed circuit boards and Electro-Mechanical Solutions. Quick-turn PCBs for new product introduction. *

EMA Is An Active Member Of

▼ SPECIALTY COMPONENTS cont. ▼

Global supplier of high accuracy 3, 6 and 9 axis, multi-layer chip ESD/EMI, low profile antennas for GPS, Bluetooth, WLAN, WiFi & GPS.

The auditory pioneer with its groundbreaking voice processor "earSmart" delivering the best sounding mobile voice experience.

Subminiature microphones, speakers, transducers and the SiSonic PC Board Mount Mic for embedded computer, medical, military and commercial markets.

High-speed connectors and cable products, including Displayport, USB 3.0, SATA, SAS the best quality & service.

Stetron provides high quality loudspeakers, includes waterproof, fire and safety speakers for indoor and outdoor applications.

Global Positioning Systems. Board level receivers for GPS embedded applications, network timing and synchronization.

* Includes Mid-Atlantic Geography
